where trips are built around our customers dreams. Our goal is to serve our guests a refined personalized experience—encompassing the greatest wildlife, local sites, scenery and trophy adventures available. Stonewood Lodge, a luxury wilderness retreat located in Lake Clark Alaska, is a piece of paradise in which few places in the world can compare in all around beauty, adventure, and exceptional fishing. The watershed of this area is the most productive commercial and sport fishing region in the world and the expansive wilderness offers seemingly endless sightseeing and adventure opportunities.

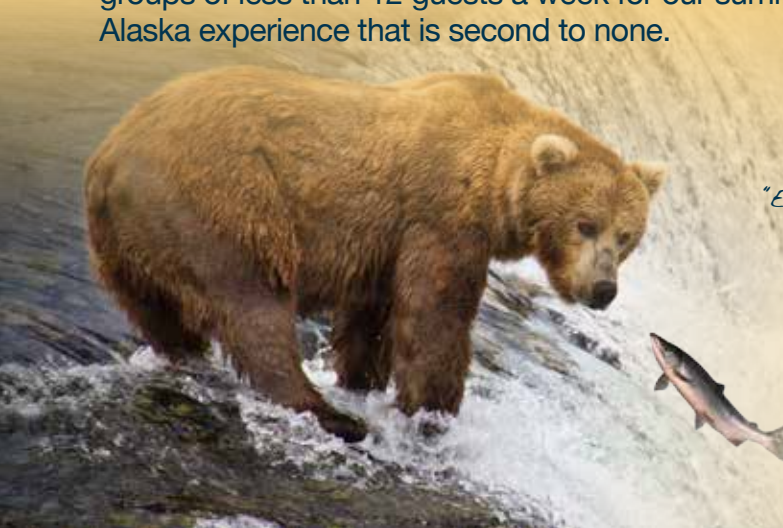

Here you will find all the qualities of a world class recreational and sport fishing lodge which serves the finest gourmet meals around. With a classic yet rustic feel and offering 10,000 square feet of contiguous space, the lodge offers all modern amenities rarely found off of the road system in Alaska. While we have the perfect set up for hosting large family gatherings or corporate retreats, we generally settle on small groups of less than 12 guests a week for our summer activities. Join us for a very personal and tailored Alaska experience that is second to none.
